

## Join the fun for the South Church Get Movin' 184 Challenge

**The Get Movin' 184 Challenge is around the corner!  
This is our primary fundraiser this year, and now is the time  
for you to get involved! Here is how to get started:**

### **To be a Participant**

First, choose an activity that you are willing to take part in at some point during the week of May 28 to June 4, 2021. The activity can take place on one day within that week or can be spread out as a participant wishes throughout any part of the week. The goal of the activity must include the numbers one (1), eight (8) and four (4) in any order or combination. For example, you might set your goal as riding your bike for 18.4 miles on any given day, or walk 1.84 miles each day of the week. Whatever it is, make sure it is an activity you can do safely and responsibly.

Complete the South Church 184 Challenge registration form by May 14th (may be done [online](#) or by [printing out the form](#) and mailing it to the church office).

### **Registration Fees**

\$25 for adults age 18-65

\$10 for youth ages 15-18

\$15 for seniors 65 and over

Families pay a maximum fee of \$50. Youth 14 and under are free, but must have written permission of a parent or guardian along with assurance of supervision.

Thank you for your support! Your registration fee will be used in its entirety to support the mission of South Church.
