

Summary of edits to bylaws and reasoning behind changes

WSL complete edit of section. Changes from previous bylaws include deletion of WSL duties now more appropriately assumed by other ministries (e.g. Caring Ministries, Faith Fellowship & Membership Ministries) and elimination of archaic language. We removed the section on parishioner discipline and membership termination.

Faith Formation has been split into two ministries: Christian Formation Ministry and Faith, Fellowship & Membership committee.

Confidentiality requirements have been clarified and updated in Article VII, section 3 and Article X, section f.

Job description for previous church administrator was changed to Administrative Assistant and bookkeeper. The bookkeeper handles all the financial information previously done by the Administrator.

Notice of staff resignation is changed from 4 days to what is delineated in job description.

Pastor's Aid Committee name change to Caring Companions. The group would like be known for what it offers those who can no longer attend worship in person: companionship, rather than to suggest that the principle reason for monthly visits is simply to help the pastor.
